## SUSTAINABLE ENGINEERING AND TECHNOLOGY TOWARDS INDUSTRY REVOLUTION

19<sup>th</sup> IEEE Student Conference on Research and Development (SCOReD 2021) is a flagship conference organized by IEEE Malaysia Section and IEEE UMS Student Branch in collaboration with Universiti Malaysia Sabah. The conference provides a platform for local and international researchers, engineers and scientists from academia and industry to present and discuss the latest technological advances and research progress in the fields of electrical, electronics, communication, biomedical engineering, materials and other related areas. The previous IEEE-SCOReD flagship conferences were successful with more than 200 participants from all over the world. The conference organizer cordially invites all students, academics, practitioners, scholars and researchers to submit their papers to SCOReD 2021.
