

## Manual Modul Lantern Fish

Muka depan component yang terdapat di dalam laman web.

The screenshot shows the Joomla! control panel with the 'Components' menu selected. A sub-menu for 'LanternFish' is open, showing options: Control Panel, Translation, Content Languages, and Content elements. The 'Translation' option is highlighted. The main content area displays the 'LanternFish :: The multilingual Content Manager for Joomla!' page. It features a navigation bar with 'Control Panel', 'Translation', 'Content Languages', 'Content elements', and 'Manage Plugins'. Below this is a banner for 'Welcome to LanternFish' with links for 'Unpublished' and 'System State'. A text block explains the purpose of the extension, mentioning it's a translation manager for Joomla!. To the right is a small image of a lanternfish. Another section titled 'What you get' provides information about services offered. At the bottom, copyright and version details are present: 'The LanternFish V1.3.7 (j34), © 2015 Copyright by BzZzZ, a division of Drzno, all rights reserved. Based on JoomFish, copyright Think Network'. The footer includes standard Joomla! navigation links like 'View Site', 'Visitors', 'Admin', and 'Log out', along with the text 'Joomla! 3.4.1 — © 2015 Fakultti Pertanian Lestari'.

Klik Pada menu “translation” untuk menukar content dalam Bahasa yang di ingini.

This screenshot shows the 'Translate' page within the LanternFish component. The top navigation bar includes 'Publish', 'Unpublish', 'Edit', 'Delete', and 'Control Panel'. The 'Control Panel' and 'Translation' tabs are visible on the left sidebar, with 'Translation' being the active tab. An arrow points to the 'Translation' tab. The main content area has a table with columns: Title, Language, Translation, Last mod, and Published. A dropdown menu for 'Languages' is open, showing 'Select language', 'Select language', 'BahasaMelayuMalaysia' (which is highlighted in blue), and 'Chinese'. A message at the bottom of the table says: 'Please select the content element AND language for which you want to check the translations.' The footer contains the same copyright and version information as the previous screenshot: 'The LanternFish V1.3.7 (j34), © 2015 Copyright by BzZzZ, a division of Drzno, all rights reserved. Based on JoomFish, copyright Think Network'. The footer also includes 'View Site', 'Visitors', 'Admin', and 'Log out' links, and the text 'Joomla! 3.4.1 — © 2015 Fakultti Pertanian Lestari'.

Kemudian klik pada content elements dan pilih item yang perlu diterjemah. Rujuk gambar di bawah:

The screenshot shows the Joomla Translate component interface. At the top, there are buttons for Publish, Unpublish, Edit, Delete, and Control Panel. On the right, there are links for Fakulti Pertan... and Help. The main area has tabs for Control Panel, Translation, Content Languages, and Content elements. The Translation tab is selected. A dropdown menu titled "Content elements" is open, showing a list of items: Please select, Banners - Client, Banners, Categories, Contact, Contents, Languages, Menus, Modules, Newsfeeds, Users, and Weblinks. An arrow points from the text "Apabila content elements di klik, paparan seperti di bawah akan keluar." to this dropdown menu. Below the dropdown, a message says "Please select the content element AND language for which you want to check the translations." and "The LanternFish V1.3.7 (j34), © 2015 Copyright by BzZzZ, a division of Drzno, all rights reserved. Based on JoomFish, copyright Think Network".

Apabila content elements di klik, paparan seperti di bawah akan keluar.

The screenshot shows the same Joomla Translate component interface as the previous one, but now the Content elements tab is selected. A large arrow points to the checkbox column in the table below. The table lists various content elements with columns for Title, Language, Translation, Last modified, State, and Published. Each row has a checkbox in the first column. The rows listed are: About Us, News & Activities, Programmes, Events, Publication, Main Page, News, RESEARCH, and Academic Timetable. The "About Us" row is highlighted with a red box. The "Language" column shows BahasaMelayuMalaysia for most entries, except for "Events" and "News" which show BahasaMelayu. The "Translation" column shows Mengenai kami, Berita dan Aktiviti, program, Penerbitan, Utama, and Penyelidikan respectively. The "Last modified" column shows dates like 2015-07-01 and 2015-07-02. The "State" column shows green checkmarks for most, except for "Events" and "News" which have red circles. The "Published" column shows green checkmarks for most, except for "Events" and "News" which have red circles.

Setelah membuat terjemahan di dalam kotak translation, klik pada butang save.

The screenshot shows the Joomla Translate component interface. At the top, there are tabs for System, Users, Menus, Content, Components, Extensions, and Help. On the right, it says "Fakulti Pertan... Joomla!". Below the tabs, there's a toolbar with Save & Close, Save (highlighted with a black arrow), and Cancel buttons. The main area has sections for Name, Publishing, Menu Alias, Params, and Link Type. In the Name section, there's a table with rows for Original (About Us) and Translation (Mengenai kami). In the Publishing section, the Language dropdown is set to Bahasa Melayu/Malaysia and Published is checked. At the bottom, there are links for View Site, Visitors, Admin, and Log out, along with a Joomla 3.4.1 copyright notice.

Item yang sudah diterjemah perlu di “publish” supaya dapat di lihat dalam laman web.

The screenshot shows the Joomla Translate component interface after saving. A message box at the top says "Translation saved". The main area shows a table of items with columns for Title, Language, Translation, Last modified, State, and Published. An arrow points to the "Published" column for the "About Us" item, which now has a green checkmark. The "Published" column for other items like "News & Activities" and "Programmes" also has green checkmarks. The "Events" and "Publication" items have red circles in their "Published" column, indicating they are unpublished. The "Main Page" and "News" items have yellow question marks in their "Published" column, indicating they are pending publication.

Langkah yang sama dibuat untuk setiap item yang ingin diterjemah.
