YBhg. Prof. Datuk Dr.,

YOUNG SCIENTISTS NETWORK-ACADEMY OF SCIENCES MALAYSIA (YSN-ASM):

CALL FOR NOMINATION FOR 2017 YSN-ASM MEMBERSHIP

Greetings from Academy of Sciences Malaysia.

ASM is pleased to announce the call for nomination for the 2017 membership of the Young Scientists Network-Academy of Sciences Malaysia (YSN-ASM).

YSN-ASM provides a solid platform for outstanding young Malaysian scientists from diverse scientific backgrounds and expertise to interact, coordinate, organize and rise to national and international challenges. It is also a platform for young scientists to collaborate nationally and internationally, positively impact Malaysia's science, technology and innovation ecosystem and society at large in tandem. YSN-ASM is a member of the Global Young Academy (GYA), a worldwide organisation that facilitates networking among young scientists and serves as the voice of young scientists globally.

ASM is honoured to invite all outstanding young Malaysian scientists including from Social Sciences who are or less than (\leq) 40 years of age from all Institutions of Higher Learning (Public and Private), Research Institutes and Industries in Malaysia to be new members of YSN-ASM. All nominations will be subjected to an evaluation process by the ASM Selection Committee by the end of June 2017. Successful applicants will be notified via email by mid-July 2017. All new members are expected to attend Membership Conferment during the 2017 YSN-ASM Colloquium in December 2017.

All applicants are required to complete the online application form at www.mytopscientists.org. A detailed **letter of recommendation** from the applicant's director, advisor, mentor or supervisor is also required.
