PERDESA MEMBERSHIP CATEGORIES

Membership of the Association is divided into six categories:

1. Ordinary Membership

This category of membership is open to all healthcare professionals who are Malaysian citizens, upon approval of the Executive Committee. These include Medical Officers, Dental Officers, Nurses, Assistant Environmental Health Officers, Medical Assistants, Pharmacists, Nutritionists, Medical Laboratory Technologists, Medical Science Officers and others involved in the delivery of healthcare in Sabah.

2. Life Membership

This category of membership is open to all Ordinary Members on payment of a specific fee fixed at the AGM, upon approval of Executive Committee. A Life Membership applicant should have at least been an Ordinary Member for one year.

3. Associate Membership

This category of membership is open to healthcare workers who are not Malaysian citizens but holding qualification in medicine or allied health. Associate Members can use all the facilities provided by the Association, but they are not eligible to vote or to hold any office in the Association.

4. Honorary Membership

This category of membership is open to those who have contributed substantially to the Association in terms of service or financial benefit. Honorary membership is subject to approval of the Executive Committee. Honorary Members may be invited by the Executive Committee to attend any function, but may not vote or hold any office.

5. Student Membership

This category of membership is open to all students in the institutions of higher learning in Sabah who have a keen interest in community healthy promotional activities. They are not eligible to vote or to hold any office in the Association.

6. Supportive Membership

This category of membership is open to all who do not have formal qualifications in medicine or allied health. They are not eligible to vote or to hold any office in the Association.

Any application to become a member in any category must have support of any two Ordinary Members, who shall duly propose and second the same prior to submission to the Secretary, who shall send it immediately to the Executive Committee for further action. The Executive Committee may decide to accept or reject an application without giving any reasons, but the decision must be based on the best interest of the Association.

Every application approved by the above procedure should have paid entrance fees and annual fee for the first year as well as other stipulated dues, prior to acceptance as a member of the Association and exercise of his or her rights as a member.
