

Our Ref: ERU/UMS/IEET/1/2016

Date : 30 March 2016

Dear Sir/Madam,

INVITATION TO A TWO DAYS INTENSIVE WORKSHOP ON INDUSTRIAL ENZYME ENGINEERING & TECHNOLOGY (IEET), FROM 23rd – 24th MAY 2016, IN KOTA KINABALU, SABAH

Greetings from Faculty of Engineering, Universiti Malaysia Sabah.!

We are proud to host the upcoming workshop. This two days intensive workshop will feature the fundamental, advances and applications of industrial enzymes and enhance problem solving skills of the participants.

The IEET modules are tailored to the needs of enzyme technologists, academicians, entrepreneurs, researchers, policy makers and students.

Scientists and engineers working in the related fields will be able to update their skills through knowledge and practical experience obtained in the field of Enzyme Engineering.

Attendees will greatly benefit with all topics covered and attendees will also earn Individual Professional Development (IPD) points. The IEET workshop content also forms part of the enzyme engineering taught and research degree courses in the various Universities.

Therefore, we cordially invite interested persons for their valuable participation from the respective esteemed organization in this IEET 2016. Attached herewith is the comprehensive brochure for further consideration.

Should you require further information or clarifications, please do not hesitate to contact our secretariats Mr. Malcolm at 6088-320000 (ext : 3549)/ Mr. Joseph Wong at 6014-3945105.

We look forward to your attendance at the workshop!

Warm regards,

PROFESSOR DR. RAVINDRA POGAKU
Workshop Director
Faculty of Engineering
Universiti Malaysia Sabah
